Dear Rafael & Commodore Filho;

On behalf of the Snipe Class International Racing Association Board of Governors, we are pleased to award the Yacht Club Paulista with the support of the Brazilian Snipe Class, the 2020 Snipe Women's World Championship. Dates are to be agreed upon for September or October of that year and we will endeavor to work with you in the coming months to find the best dates for the calendar.

We are very excited to have this event on Guarapiranga – where we have held many excellent Snipe Championships in the past. We have great hope this will be a successful event.

We are pleased with the bid and look forward to working with you on the Championship. Please know that we are here to help make this the best event possible and look forward to working with you in the coming years.

Best regards,

Jerelyn Biehl
